DISCUSSION

This file was opened to address a dispute concerning QMB (Medicare Premium Assistance) benefits that the Petitioner might have been receiving. At the designated time for the hearing, the Petitioner indicated that she had submitted a withdrawal and that she no longer needed a hearing to address her Medicaid benefits, because the issue with her benefits had been resolved. After the hearing, the Division of Hearings and Appeals received the Petitioner's withdrawal, but it only listed case number MGE-168287.

Based upon the Petitioner's statements at the hearing, this case will be dismissed, because Petitioner indicated all her appeal issues had been resolved to her satisfaction. If I have misunderstood the situation, the Petitioner is directed to the rehearing instructions below.
